**THE VERY BEST OF OREGON
CHOSEN BY TRAVELERS
JUST LIKE YOU.**

Looking for inspiration? • Need destination ideas?
Wondering where to play, eat and stay?

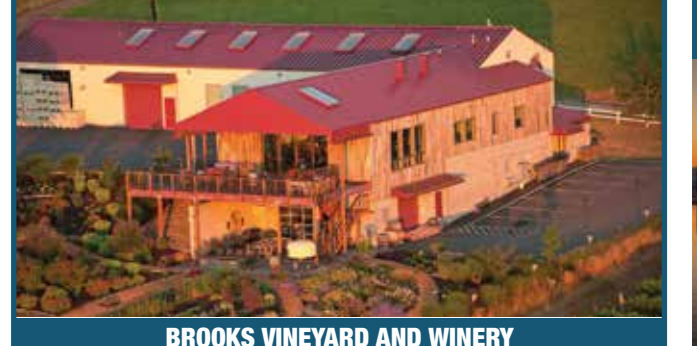

Savvy travelers know that third-party review sites are one of the strongest indicators of a quality experience. That's why researchers scoured over 66,000 reviews posted in the past year on the most popular online review sites: Google, TripAdvisor and Yelp. Scores were tallied and combined to determine the level of travelers' overall satisfaction. The scores were then ranked to create the 100 Best Fan-Favorites Destinations in Oregon list.

The complete rankings from one to 100 are plotted on this handy map. Some destinations are well-known. Some are just being discovered. And whether it's on the way or out of the way, you can make the trip with the comfort of knowing those before you ranked these destinations highest.

Visit, enjoy and pay it forward by sharing your experiences on Google, TripAdvisor and Yelp. Your reviews will contribute to next year's rankings.
